- A)** The Price of Gold Prize-winning film about a talented young runner who has to decide whether the chance of winning an Olympic medal is worth the effect this has on his family. In the end he has to make a heart-breaking choice. Based on the novel by Steven Taylor.
- B)** Ben Gadsby Now one of the world's biggest movie stars, in this interview Ben talks about how his life has changed since he was chosen from thousands of young hopefuls at the age of fourteen to play the hero in the film Birdman – Flight to the Red Planet.
- C)** Rescue Story A hundred years ago, only 13 Asiatic lions were left in India. This documentary tells the story of how the Nawab of Junagadh protected them so that their numbers gradually increased. Slow moving in places, but there are some wonderful pictures of the lions and the Indian scenery.
- D)** Talent Spot This week is the final in our inter-school competition, and it's a battle between the Stanton School Singers and Greybridge School rock band. Who will win the prize? Your votes will decide who will be the most famous new stars of the year.
- E)** Running Free Based on the children's novel about a horse who suffers under a cruel master until one day he escapes to the desert – only to face a battle with an even worse enemy. The film is shot in the Arizona desert and has unusual background music.
- F)** Saved An amazing documentary about a man who broke his leg at the top of the world's highest mountain – but was saved at the last moment by his friends. A fantastic story of one of the most challenging environments on our planet, and of what people have achieved there.
- G)** Surprise! Susie plans a surprise party for her parents' wedding anniversary – but things don't go quite according to plan. A light-hearted film with lots of laughs. New actor Colin Shreeve is excellent as Susie's football-mad younger brother, who can be relied on to cause trouble!
- H)** Future Perfect? In this documentary, Vanessa Adams looks at the effect that information technology has already had in the 21st century and some of the future possibilities. Will machines eventually take over the world? They will certainly change how we live in huge ways.
