Read the following text carefully:

When Omar Castillo was 8 years old, he alarmed by a TV programme describing vanishing rainforests that he set out on an walk to the Tuxtla Guitierrez rainforest with When Omar reached the forest and was told President of Mexico could save the trees, he the capital to ask the President for help. When the President refused to meet him, Omar set up a tent in the plaza outside the Presidential Palace and soon became a national hero. The President was forced to meet with the determined youngster and promised to protect the forest.

became so Mexico's 870-mile his dad. that only the returned to

Soon, however, Omar learned a bitter lesson: politicians do not always keep their promises. But Omar has not given up. He has since travelled across Mexico on foot and bicycle to protest against industrial pollution and nuclear power.

" The Earth is very sick, " Omar says. "Only the children can heal the planet; it is our home and Mexico is our house. We can't just pack and go to Jupiter or Mars." At the age of 15, Omar, with his father, embarked on a five-month bike trip across the nation, calling for the introduction of environmental science in school textbooks. " Getting the environment into schoolbooks was my greatest victory," says Omar.

A. True or False? Quote from the text to support your answer.
