★ Read the story and answer the following questions:

It was a dark and stormy evening when Toby arrived home from work. He felt tired and was glad to be home. As he was taking off his coat in the hall, he heard a strange noise coming from the kitchen. He felt afraid because he thought there was a burglar in there. He stood there silently trying to decide what to do. He then decided to go into the kitchen to investigate. He took a deep breath, picked up his umbrella and slowly opened the kitchen door. Toby laughed with relief when he saw his neighbour's cat on the kitchen table. It had come in through an open window to get out of the rain. He took the cat and returned it to his neighbour. "Oh there you are!" said the neighbour. "You scared me to death," she said to the cat. "It scared me to death too" said Toby laughing.
