WRITING

A) Put these in order.

( ) Also, the mobile phone is easy to carry and has features like the net, camera and video.

( ) Every thing in life has two sides.

( ) In short, the mobile phone can be useful if it is used wisely.

( ) This can be applied to the mobile phone.

( ) That's to say advantages and disadvantages.

( ) However, overusing the mobile phone can harm your ear.

( ) Another advantage is that you can send messages to friends.

( ) In addition, it can be used for spying and it cost a lot of money.

( ) It can distract attention while driving and can be stolen easily.

( ) The mobile phone can help in emergency because you can contact anyone easily anywhere.

( ) One is dark and the other is bright.

B) Rewrite them as a paragraph:

……
